Written April 13, 2010 at Eugene Coste School by Ms. Dennill's and Mr. Mori's Grade 6 Classes,

Verse 1

**We all feel happy for helping
For relieving the people in need
We all feel joyful for giving
When there's so many children to feed**

Chorus

**People say we are crazy
For trying to save the world
But we'll never give up on giving
Just because we are boys and girls**

Chorus Part 2

**People say we are crazy
Oh but kids just wanna believe
Some people think that it's hopeless
It's a goal we'll never achieve
But if saving the world is so crazy
Then a crazy dreamer I'll be**

Verse 2

We all believe in our future
And we know that love leads the way
We're glad to give to the needy
Here at home and far away

Repeat Chorus Part 1 & 2

Bridge

What the world needs now
Is a brand new plan
And we'll show you how
Cause as kids we understand
We're all in this world together
And one world is all we have

Repeat Chorus Part 1 & 2
