C B G
Let's start with Canadian Shield (8)
G
There are grey wolves and pelicans (8)
C B G
And Canada's ancient rock fields (8)

Verse 2:

Alberta has six regions
The Boreal Forest has frogs
There are bison, bears and beavers
Ever greens, rivers, lakes and bogs

Verse 3:

Alberta has six regions
The next is called Parkland
The most ducks within Alberta
In the duck factory wetlands

Verse 4:

Alberta has six regions
The forth region is the Foothills
There are flattened hills and forests
In the winter you'll get a chill

Verse 5:

**Alberta has six regions
There's the Rocky Mountains as well
They have outstanding mountains
And wild flowers that smell**

Verse 6:

**Alberta has six regions
And Calgary is in the Grasslands
It's hot and dry and windy
Where the Calgary Stampede began**
