Verse 1:

I went to a ball
That took place in a hall
What I saw with my eyes
Was quite a surprise
There were colours there dancing
And some even prancing
The Fancy Dancey Colourful Ball

Chorus:

Dancing dancing colours
All the colours of the rainbow
Red and yellow and orange and blue
Violet, green and indigo too

Verse 2:

Colours were whirling
And some even twirling
What I saw with my eyes
Was quite a surprise
I saw red and blue smashing
And purple came flashing
The Fancy Dancey Colourful Ball

Chorus:

Dancing dancing colours
All the colours of the rainbow
Red and yellow and orange and blue
Violet, green and indigo too

Verse 3:

Next I saw yellow combine with red
Orange appeared
And danced on its head
I saw yellow and blue
And green came right through
The Fancy Dancey Colourful Ball

Chorus:

Dancing dancing colours
All the colours of the rainbow
Red and yellow and orange and blue
Violet, green and indigo too

(Instrumental Chorus)

Chorus:

Dancing dancing colours
All the colours of the rainbow
Red and yellow and orange and blue
Violet, green and indigo too
