Verse 1:

**Alberta has six regions
Let's start with Canadian Shield
There are grey wolves and pelicans
And Canada's ancient rock fields**

Verse 2:

**Alberta has six regions
The Boreal Forest has frogs
There are bison, bears and beavers
Ever greens, lakes and bogs**

Verse 3:

**Alberta has six regions
The next is called Parkland
The most ducks in Alberta
In the duck factory wetlands**

Verse 4:

**Alberta has six regions
The forth one is the Foothills
There are flattened hills and forests
In the winter you'll get a chill**

Verse 5:

**Alberta has six regions
There's the Rocky Mountains as well
They have outstanding mountains
And wild flowers that smell**

Verse 6:

**Alberta has six regions
And Calgary is in the Grasslands
It's hot and dry and windy
Where the Calgary Stampede began**

Verse 7:

**Alberta has six regions
We're shared them all with you
Alberta has six regions
We hope you love them too!**
