## ***Crazy for Helping***

Written April 13, 2010 at Eugene Coste School by Mr. Dennill's and Mr. Mori's Grade 6 Classes,  
Molly Hamilton, Anthony Burbidge

### **Verse 1**

**We all feel happy for helping  
For relieving the people in need  
We all feel joyful for giving  
When there's so many children to feed**

### **Chorus**

**People say we are crazy  
For trying to save the world  
But we'll never give up on giving  
Just because we are boys and girls**

## Chorus Part 2

People say we are crazy  
Oh but kids just wanna believe  
Some people think that it's hopeless  
It's a goal we'll never achieve  
But if saving the world is so crazy  
Then a crazy dreamer I'll be

## Verse 2

We all believe in our future  
And we know that love leads the way  
We're glad to give to the needy  
Here at home and far away

## Repeat Chorus Part 1 & 2

## Bridge

What the world needs now  
Is a brand new plan  
And we'll show you how  
Cause as kids we understand  
We're all in this world together  
And one world is all we have

## Repeat Chorus Part 1 & 2

But if saving the world is so crazy  
Then a crazy dreamer I'll be
