Verse 1

D **D**
One April morning a box came to school
A **D**
With three new surprises inside
D **D**
When we opened the box we all were amazed
A **D**
Our smiles were beaming and wide

Chorus

G **D**
There in the box were three little eggs
A **D**
That came from a farm far away
G **D**
We all got to hold them one at a time
D **A**
They were still in their shells on that day

Verse 2

D D
Then Wednesday morning all fuzzy and cute
A D
Three ducklings cracked out of those shells
D D
They were yellow and brown and fit in our hands
A D
But none of them stood very well

Chorus

G D
There in the box were three little ducks
A D
That came from a farm far away
G D
We all got to hold them one at a time
D A
They were cuddly and wanted to play

Verse 3

D D
We decided to name the day they were born
A D
Before they returned to the farm
D D
There was Spotty and Earth Quack who had a black
head
A D
And the smallest we gave the name Charm

Chorus

G D
There in the box were three little ducks
A D
That came from a farm far away
G D
We all got to hold them one at a time
D A
They were cuddly and wanted to play

Verse 4

D D
One Friday morning we said our goodbyes
A D
We'll sure miss our web-footed friends
D D
But everyone knows that ducks like it better
A D
When they're home on the farm in the end

Chorus

G D
There on the farm are three little ducks
A D
That came from a school far away
G D
They're glad to be home with all of their friends
D A
In a place where they're safe and can play
G D
Ya they're glad to be home with all of their friends
D A
In a place where they'll live out their days
