Verse 1

One April morning a box came to school

With **3** new surprises inside

When we opened the box we all were amazed

Our smiles were beaming and wide

Chorus

There in the box were three little eggs

That came from a farm far away

We all got to hold them **1** at a time

They were still in their shells on that day

Verse 2

Then Wednesday morning all fuzzy and cute

Three ducklings cracked out of those shells

They were **yellow** and **brown** and fit in our hands

But none of them stood very well

Chorus

There in the box were **3** little ducks

That came from a farm far away

We all got to hold them **1** at a time

They were cuddly and wanted to play

Verse 3

We decided to name the day they were born

Before they returned to the farm

There was Spotty and Earth Quack who had a black head

And the smallest we gave the name Charm

Chorus

There in the box were **3** little ducks

That came from a farm far away

We all got to hold them **1** at a time

They were cuddly and wanted to play

Verse 4

One Friday morning we said our goodbyes

We'll sure miss our web-footed friends

But everyone knows that ducks like it better

When they're home on the farm in the end

Chorus

There on the farm are **3** little ducks

That came from a school far away

They're glad to be home with all of their friends

In a place where they're safe and can play

Ya they're glad to be home with all of their friends

In a place where they'll live out their days
